Subject: Department of Justice Library Borrowing

Body: According to Daphne (Dee) Sampson who is Director of Library Staff at the Justice Department, we can borrow books from their library for a two week period and she said they could be renewed if no one else wants them. When I asked for how long a book could be renewed, she said they would try to be reasonable. The one form you have to bring with you is an Interlibrary Loan form which is available on the top of the library cabinet. If I am not around you can sign my name as the authorizing official. Ms. Sampson's number is 514-2133.
