**Subject:** Security  
The DOJ Marshals Service came out with a brochure on Security in the Workplace after last year's Oklahoma City bombing. We have ordered one for each employee, but we received a few advance copies from DOJ.I have put one in the Library and will tack one up on the board in the kitchen for your information until the others come in. One will also be at the reception desk (there are instructions in the booklet regarding telephone threats, etc.).Happy reading!
