Subject: Security Reminder
Please remember that there are people in the office without clearances. The students will be here through tomorrow, Tim has someone working on some military rifs for the next few weeks, and Janice will be here through August 9.All of these people have a need to be in the office space using the copier and meeting with staff. In Janice's case, she has complete access to the office except for the SCIF.Please keep this in mind as you handle and discuss classified information. Thanks.
