Subject: Lunchtime Movie
The Assassination Cinema Review Organization -- Never You Mind (ACRONYM) will be presenting The Princess Bride as its first noontime film for this week. If you've seen it before, you know this is a GREAT (and funny) movie. If you've never seen it, here's the synopsis: beautiful Buttercup loves Westley, a lowly farm boy. But when he goes off to seek his fortune, he's captured by pirates and she's chosen by the evil Prince Humperdinck to be his princess bride. She gets kidnapped, he gets killed. But it all ends up okay.
