**Subject:** Voting

Some of you may have been a little late getting in today due to lines at your voting places. We will not charge leave for this as long as it is not excessive and as long as you let me know that is what happened. We will also not charge leave to anyone who needs to leave a little early to beat the long lines tonight or who wants to take a slightly longer lunch to go home and vote. Again, you must let me know and should also clear this with your supervisor. Federal Regulations only require that we grant this administrative leave if the hours that the polls are open conflict with your work schedule. This is not the case in our jurisdictions, but we feel that it is important to vote and that all employees should be granted a reasonable amount of time to do so.
