Subject: better late than never...

As most of you have probably already realized, Christina has accepted a new position within the administrative staff. Christina will be our "floater" administrative assistant and will be responsible for a wide range of tasks to help out the other admin staff. She will also be the permanent relief receptionist. You should all continue to operate as usual and work through your assigned admin person. Admin staff only will be working with Christina on assigning her responsibilities. We are hiring a receptionist so if any of you know of anyone who might be interested, please have them send me a resume. Sorry for the delayed notice of this but the change took place as I was leaving for vacation. I'm sure you all figured it out and asked the right people for the info!
