**Subject:** printer hints

**Body:** On the big R&A printer in the hallway, when you see the message"UC Tray Empty" it is telling you that the upper paper tray is empty and needs to be filled. Likewise, "LC Tray Empty" is the same message regarding the lower paper tray.The admin staff will try to keep the paper supply next to the printer stocked but when you use the printer and notice these messages, please restock the paper tray. Please let an admin person know if more reams of paper need to be placed by the printer when you use the last one to restock the tray.Thanks.
