**Subject:** Part 2: Shepherd's Cove Family Shelter of P.G. County...  
This is just a note for anyone planning to contribute toiletry items...I'll be collecting any final contributions on this Friday, the 21st...The shelter assists battered/abused women & children of Prince George's County, Maryland...I've received a nice response from the office so far, but could always use any additional help...The shelter needs stuff like: soap, toothpaste/toothbrushes, deodorant, combs, etc...Please ask me any questions... Thank you... :-)
