Subject: TSP Open Season
The open season for Thrift Savings Plan began on May 15 and runs through July 31. If you were hired before January 1, 1997 or hired after that but have previous FERS service you are eligible to join this open season. This is also the time when you can change the amount of your contribution and/or how you have your contribution invested in the TSP funds. Please see me for the forms. Note: The following is my own personal viewpoint...The TSP is a great tax deferred savings plan. Everyone that is eligible should join. If you have any questions on why I feel this way, please see me and I'll be happy to share my thoughts in more depth. Also, the TSP now has a website with information--www.tsp.gov.
