Subject: IMPORTANT PHONE INSTRUCTIONS

We are having a problem with Line 007. If you are trying to get an outside line and it comes up Line 007 on your screen with no dial tone, put that line on hold and then use you other extension button to get a different outside line. We are working on correcting the problem, but in the meantime this is how you can get a different line tht works.However, since we only have 8 lines to begin with...PLEASE KEEP ALL PERSONAL PHONE CALLS SHORT AND TO A MINIMUM UNTIL WE CORRECT THE PROBLEM.Thanks in advance for your cooperation.
