Subject: Cuba Documents Release

I want to thank everyone who played a role, from the beginning to the end of the process, in getting the Cuba documents out to the media/public in a professional, efficient and effective manner. Doug, Jim, Eileen, Janice and Christina did outstanding work and represented the Board very well. It was best summed up by Bob Franken, the veteran Congressional Correspondent for CNN, who did the story and interviewed Anna. Franken went out of his way to be extremely complimentary about the work of the Board and the staff in putting out a very professional and interesting product. It took a lot of work that began months ago and culminated with the release yesterday. Thank you all for your efforts. They clearly paid off.
