Subject: Expert's Conference

I would like to thank all of you for participating, assisting, attending, and commenting on the Conference yesterday. Several of the invitees told me how much they had enjoyed it and how impressed they were by the quality of the discussion. For example, I was pleasantly surprised to hear Kate Martin say that she had learned a great deal and that it is one of the best such meetings she has ever attended. Steve Garfinkel said that he regretted that we had not done more work together during the past three years. I would particularly like to thank Michelle, Jerrie, and Tracy for doing their preparatory and backup work.
