1. I put Greg Quail's name into the correspondence file. 2. Correspondence file is now on the "g" drive as "corrsndn.k30". As letters come in and files are created we should update them on this list, until a more sophisticated system is developed. If you have any questions about it, please ask. 3. Please also put Quail on mailing list in the computer. 4. Did you make a file for Quail with copy fo your letter to him in the file? Please advise and add the handwritten note on the yellow sheet of paper I left on your desk. 5. This is my longest e-mail yet. I hope you got it!
