Subject: Status of getting Lexis or Westlaw
David said you were going to contact vendors about this. Any news?

Subject: Status of getting Lexis or Westlaw
Now that we are on the verge of moving and establishing our permanent computer system, will we be able to also get access to one of the legal online services, either Lexis/Nexis or Westlaw? It would be very useful to be able to get access to these materials without sending someone to the Justice Department library. Thanks!
