Subject: Staff Notes
As previously noted, Staff Notes, Issue 3 will hit the street on Friday. It may be a good opportunity to tell the Board, with some detail, what you and the analysts have been up to these last couple of weeks. I'm thinking that they would be interested in knowing about the ground work that Phil and the others are laying for the future. In addition, we could put in the Suitland visit. It seems that Gene is spending a lot of time at Archives II. Come to think of it, we could mention the visits with Harold and Newman, too. Please advise me whether or not you are interested in including any of these items.
