Subject: status report

The last couple of days I have been working on a detailed, FBI-oriented chronology for Lee Harvey Oswald pre-assassination. I have entered everything for HQ files (which is the bulk of the information), and have what I need in hand to input material from New Orleans and Mexico City files. After doing so, I will organize these docs and put them in files for general office reference. I then intend to continue to read FBI-related materials from Warren Commission and HSCA materials (which are here) and at some point to go to Archives II to review, copy as necessary, and input into my chronology the rest of the FBI-Oswald pre-assassination materials in the JFK Collection (chiefly Dallas files).
