Subject: Justice meeting
I got throught to Gerry Schrader this morning. He unfortunately is tied up in meetings most of today and flies out late afternoon for a business trip out of town tomorrow, so we can't set up a joint meeting before you leave. I've arranged to meet with him preliminarily on Tuesday morning with the expectation that I'll get as much background info from him as possible and brief you, then the three of us can get together as soon as you get back. He seems very pleasant and willing to be helpful. We should talk before you leave so I know all the relevant details to brief Gerry.
