Subject: Phone System After 5:00 p.m.
I am not sure if you are aware of this or not, but someone trying to call me after 5:00 p.m. from outside of the office, on the main line, got three rings, then your voice mail, without any instructions or opportunity to punch in an extension. I tried it and got the same thing. Thought would want to know. If you already know this, disregard. Thanks.
