Subject: Army Chief of Staff for Intelligence (ACSI) Records, Facility
Yesterday when I gave you the chart on the breakdown of ACSI it shows a USA Counterintelligence Records Facility. This facility is no longer operational. The Army Staff sends their records to NARA here in the District. They are in the process of sending them to College Park. They expect to complete this transfer by June 1, 1995. Records from 1947-1960 will be moved. I wonder how the records from this time period will be reviewed to identify assassination files?
