Subject: Computer & Phone
Chet, can you look at her computer when you come in on Wednesday? I'll take a look at her phone and let you know what I find out.To: Tracy Shycoff/ARRBcc: From: Laura Denk/ARRB Date: 03/06/95 06:22:50 PMSubject: Computer & PhoneTracy, it seems that my phone is not working. When I pick up and dial 9, I immediately get a busy signal rather than an outside line. Also, on a less urgent note, when I am in the JFK Assassination software and try to play or forward the video sequences, my computer flashes a message that it does not have the necessary utilities. Thanks.
