Subject: out of office
Tracy, when I will be out of the office, is it sufficient to send an e-mail to "All" indicating that I am out, where I am and when I will be returning, as I did yesterday? Or, should I simply send a message to you, copying Jeremy? I recall someone telling me to send the e-mail to "All", just to let everyone know what is happening.
Body: Thanks in advance for the clarification!
