Subject: Ethics videotape order
Did we order the videotape from OGE re special government employees? I thought I passed on to one of you the order form, but I can't remember now. (This is different from the tapes Val is going to copy at OGE's resource center.) The reason I ask is that we can get a 50 per cent discount (\$24 instead of \$49) if we order before March 31 (meaning Friday). I've got the order form in my office if we haven't yet ordered it. We should get it, since it's directly relevant to our board's situation. Thanks!
