Subject: Security Clearance Issues

Tracy, I have the receipt from my Discover Card payment for you. Also, I spoke to the folks at Mercantile Bank this morning and they told me that they would fax a letter sometime today indicating that my account had been paid in full in March of 1993. Finally, the telephone number that is on the documents that I received from Bally is no longer in service. (Why doesn't this surprise me?) [Screened by: NARA RD-F on October 12, 2016 according to the John F. Kennedy Records Collection Act of 1992, 44 U.S.C. 2107, Section 6(3)]. I will give you a copy of the letter. Let me know what you find out about the \$31 issue from the report. Thanks.
