Subject: Doug Horne
I spoke with Doug today about his SF86. During the conversation he mentioned that he hadn't yet received an offer/confirmation letter. Has this been done? He apologized for being impatient but said "Linus wants a security blanket"!He also gave me the dates that he'd been in DC this month to set up a time for him to come by the office. He mentioned that he spoke to you about this (he thought), but if you need the dates, let me know.
