Subject: CIA application

Body: Sheryl,Several months ago, before accepting the offer to work here, I submitted a resume to the CIA through an associate of mine who works there. Although I have not heard anything further from them at this point, I have composed a draft letter which would formally request that my application be withdrawn from consideration. Since I am not sure about the best way to handle this, I would like to to talk to you regarding this matter. Please let me know when you would have time to chat about it.Thanks, Manuel Legaspi
