Subject: Call from Mark Zaid
Mark Zaid just called to tell me he's filed suit against the CIA on one of his JFK FOIA cases; he's sending the complaint over this week. He also expressed his regret at not being able to attend all sessions of the experts conference though he would like to drop in for an hour or so. He asked if his colleague and co-author, Charles Sanders, could take his place at the conference, given his similar depth of knowledge of and interest in the issues. I told him I would pass on the request and that Jeremy would likely be the person getting back to him with an answer.
