Subject: ARRB Library Checkout Procedures
LOOKS GOOD, I DID NOT FORWARD BECAUSE IT WOULD LOOK LIKE IT WAS COMMING FROM ME, SO YOU CAN HIT THE FOWARD BUTTON AND EDIT THIS SECTION OUT AND THEN SEND TO ALL.. I CAN SHOW YOU HOW MONDAY AFTERNOON, IF ITS A PROBLEM THANKS!! have entered most of the books under the ARRB LIBRARY heading in Lotus Notes. This will replace the card catalgo system. In the transfer to t his system, I no longer have a record of who has taken out which book so I would appreciate it if you would use this systme to "again" check out any books you may have. Please locate your book under the ARRB Library entry and then click on the checkout form. This form will then appear and you can then check out your book. I have not entered the Church Committee or the HSCA volumes yet so give me a note saying what you have checked out.
