Subject: Investigator Interviews
I am interviewing an investigator candidate tomorrow night (David and Jeremy have already interviewed him. He started a new job this week and cannot take time off during the day to meet with me. I did not want to do this at my home so I arranged to meet him at a restaurant in City Place.) QUESTION: May I get reimbursed for the cost of coffee, soda, etc. at the restaurant? What are the regulations on this?(I may also have this arise again in a few weeks in the event I meet someone at a highway rest area restaurant for an interview.)thanks.....
