Subject: ACSI at Ft. Meade
We have a tentative appointment at Fort Meade on Friday at 10:00. The building, which you previously have visited, is 4552 on Mapes Road. (The windows are bricked-in.) We should go to the glass entrance. Tracy is attempting to pass our clearances. Persons stressed that the documents are very sensitive and not the kind of records that normally would be sent to the Archives or be shown to outside persons.
