**Subject:** Thanks!  
Thanks for going over to OGE to copy the ethics training tapes. I really appreciate you taking the lead on this to contact the appropriate people and get the copies made. One additional request: I just noted on the master list that for one of the videos it is suggested we use an accompanying "study guide". Did you see anything like that ? Could you ask the tape czar at OGE about this? (I can give you back the list.) This may mean, of course, that you will have to return to the posh surroundings that are the OGE office. I guess their offices are so fancy in order to send the message that it pays to be ethical! Thanks again . . .
