**Subject:** Mailer on Larry King Live  
Phil saw Mailer on Larry King Live last night. Apparently a caller raised the issue of US government files on the assassination. Neither Mailer or Schiller appeared to have any knowledge of the JFK Records Act or of the Review Board. In connection with your efforts to contact Mailer, perhaps it would also serve the purpose of educating him about the Board. Let me know if you want me to do anything. I faxed a letter to Larry King's Producer this morning explaining who we are and suggesting Jack as a guest to "tell the rest of the story" on the JFK files. I also left a telephone message.
