Subject: ?'s about PL102-526
These are not high priority issues but I do have several questions when you get a chance:1) At Section 10, Disclosure of Other Materials and Additional Study, (a)(2)(B) ...shall be deemed to constitute a showing of particularized need under rule 6 of the Federal Rules of Criminal Procedure. Why is a criminal rule standard applied to this legislation?2) Also at Section 10, (b)(1) ...the Attorney General should assist the Review Board My understanding is that a Sense of Congress is often a resolution of some nature which is not binding. Was the legislation written this way to avoid a balance of powers issue?Thanks for answering these "new lawyer" type questions.
