Subject: Federal Agency Records: Follow Up Chart

Body: Here is a draft of the chart. As we discussed yesterday, the local and independent entries in the right hand column will probably be transferred from this "federal agency" list to a different follow-up schedule. Also, Chet has developed a draft database form to track this information, but I have not had a chance to talk about it with Jeremy. If you want to take a look, go into LotusNotes and open "New Public" and then click on "issue."
