**Subject:** Summer Intern Program  
I think you received a faxed resume from my friend Martin Nell Hyland a week or two ago. (She just finished her first year at G.W. Law School.) Marti called me this morning and asked me to let you know she'd like to withdraw her name from any consideration for an intern's position as she's been hired for another position. (too bad, she's very bright and a real self starter.)
