Subject: Secret Service Documents

I just returned from a quick(four-hour) look through the SS Files. Joan is still there.I could not locate a copy of the narrative portion of the 12/18/63 SS Report. I will retrieve that from the Church Committee materials on Monday(Steve was out today). Most of the materials seem to be originals or carbon copies from the actual files of the USSS. There is a fair amount of correspondance between SS and Warren Commission--I don't know if it is complete--but you may want to revise your draft letter. I put a few samples in your In Box. I didn't see any Connolly material. Joan was reviewing the box of classified material, mostly privacy issues, she says. There are few if any RIFS on these documents. I don't know if this helps at all. I'd be happy to continue this review on monday if necessary. Have a good weekend!Dennis
