Subject: HSCA docs referred to Secret Service
Phil can you compose a contact report for this kris dude in the agency contacts databasethanksinfo
below.CALL REPORTDocument's Author: Phil Golrick/ARRB Date Created: 02/22/95 The Players Description of
the Call Date: 02/22/95Subject: HSCA docs referred to Secret ServiceSummary of the Call:I explained to Kris
that Review Board staff members were tentatively planning to meet with Secret Service staff in a few weeks
to discuss that agency's compliance under the Act. To prepare for that meeting, I asked Kris, on a "non-urgent"
basis, to send us copies of the transmittal letters for HSCA documents referred to the Secret Service.
(Apparently the Secret Service has not acted on any of these referrals.) She said that she thought all referrals
to that agency were sent en masse under one cover letter, and she anticipated no trouble in locating that
letter and sending me a copy.
