**Subject:** New Orleans hearing plans

When Tom and Jeremy sat down with me Monday afternoon to plan our strategy for contacting and pre-interviewing witnesses I learned that another meeting on the same topic had taken place that morning. I became concerned that I had missed important information that I needed in order to perform my job fully and properly. It is important for me to be able to do the very best job I know how to do, and this means I need to be fully apprised of and participate in plans in making investigative strategy, decisions and contacts so I can correctly and efficiently carry out the Board's work. May we speak about this? Thanks.
