**Subject:** FYI part 2

I still have not been contacted by anyone at the FBI re my debriefing. Due to the obstinate and unhappy nature of the new CO in Minneapolis, I would much prefer to get my debriefing done out here, so I can avoid a confrontation with the guy. (Yeah, I know, chicken!! That's me.) Also, with the Ayers interview, my schedule at home has gotten kind of crunched, and I don't know if we can arrange some last second thing. What is your advice? Wait on the FBI, or try and take care of it while I'm home?
