In case I leave before you guys get back, we need to leave a message for Gene. I have someone coming in for an interview at 12:00 tomorrow. Other than that, my day is free. Gene's number is 703-845-9456. I think we need to get in touch with him even if we postpone the meeting until next week--he's expecting a call. Let me know what you set up.
