Subject: Expert's Conference
I'd like to know about the autopsy photographs mentioned at page 819 of Best Evidence. Lifton said he got a copy from former SS photographer James K. "Jack" Fox in 1981. According to Lifton, Fox said Roy Kellerman told Fox to make a copy of the photos for himself (!) because "they'll be history someday." I understand from Steve Katz that Fox is deceased. I'd like to get all the identifying information possible from Lifton so I can find Fox and get those photos.
