Subject: Gayton Carver matter

I read the two memos you gave me. Is there anything else in the literature/reports which goes to Gochenaur's credibility (other than Carver's comments?) Gochenaur does seem to be appearing in the father confessor role in his remarks to Bob Kelley of the HSCA. Query - WHY would a veteran SS agent and a former FBI agent confess all to Gochenaur? The information which Gochenaur provided Kelley and which appears on page 5 of the Kelley interview memo (first paragraph) does not contain any information contrary to what Hosty provided to the WC as far as I can tell. I have no idea if Thomas Vallee's car was registered to LHO but a check of SS arrest information should reveal that answer. Further in that paragraph (page 5 paragraph 2) we do know that Hosty did not visit Oswald's home in Dallas, he visited the Paine home outside Dallas. Also, is Gochenaur confusing "Oswald's mother" with Ruth Paine? What follow-up are you aware of on Kelley's part? Did Gochenaur contact Kelley on June 9/10 to provide information about the SS/Moore connection? I view this as possibly relevant to Gochenaur's credibility. Lastly has an approach ever been made to Hosty, or is one appropriate now, to learn if he ever spoke to Carver about a cover-up and his role in it?
