**Body:** We should sit down and talk about winding up matters,transferring files, and doing any paperwork sometime soon, at your convenience. I am shooting for a last day in the office of May 24 in order to take a few days off around Memorial Day before starting at the Commission. Please let me know how your schedules look. I'm free all week except for experts conference activities, a meeting I need to attend from 3-5 pm on Wednesday, May 17 and another meeting from 10 am-1pm on Thursday, May 18. Thanks!
