**Subject:** FBI inquiries  
I'm reading some partial FBI files (with lots of referrals and redactions) concerning allegations that [Screened by: NARA RD-F on October 12, 2016 according to the John F. Kennedy Records Collection Act of 1992, 44 U.S.C. 2107, Section 6(3)] and others were in involved in the alleged misappropriation of JFK's autopsy photos from the HSCA. I'd like to talk to you about the best way to get FBI files to learn what they investigated and determined before I go any further with my investigation. I'm here all day today and Friday morning until noon.
