Subject: Shipment of Record Groups from the Field to the ARRB

Body: I expect that starting in New Orleans within the next two weeks I will actually start to take physical custody of records, ranging from boxes of microfilm to boxes of paper, etc, etc. Administratively, I have several questions: 1) Does the Board ever reimburse an individual or local/state government entity for reproduction costs? How should I handle this? 2) If a providing individual or government entity requests a receipt for the records they provide, how do you want me to handle this? 3) When I receive a larger volume of documents than I can hand -carry back with me, what are our procedures for shipping boxes of documents?
