Subject: I. Steve Tilley's absence today. II. Our library.
Eric, Jeremy wants me to look at some things at Achives II, so I was planning to go out there after the ethics training today. Since Steve is not there, I assume that the trip needs to be postphoned. But I still need to know how to request that files be pulled for us. Also, where do I find the check out information for our library on E-mail?
