**Subject:** Lee Coykendall, Investigator Candidate

I had good news this morning from Lee. She is interested in exploring further the possibility of working for the ARRB on a half-time basis, with her work confined largely to one issue (initially, the Dealey Plaza photos/films issue.) She is in the process of finalzing some day-care arrangements and will use the time between now and a possible start date to make sure both she and her son are comfortable with the day-care decisions she's made. She is completing her SF-171 and will fax it to me later today or tomorrow morning. She will be here on Wednesday morning June 7 at 9:00 to meet with you, David, and hopefully to also meet this any Senior Staff members who are here. I will send each of you her resume (you already have it, David. I'll give you a copy of her 171 when I get it.)
