**Subject:** Experts Conference Notes

Dear CIA team...Kevin and I have created a follow-up list from our notes on the experts conference. Will you each look through it and compare it to your notes from the conference? As we are both primarily familiar with FBI issues and documents, we probably missed some issues during the CIA discussion, if not during other discussions. I am leaving a copy of the list on your table in the center of your office. Go ahead and make notes on the hard copy and then I will enter your changes on the computer. Thanks!
