Subject: CIA agent crypts
An additional point from my phone conversation with Barry H. yesterday: True names of CIA agents and their crypts never appear on the same piece of paper in the Agency, and so we are not to expect them to provide true names of agent crypts in response to the Board's request for information. CIA will attempt to provide descriptive information about each agent, as the Board wanted, but without the true name. As I understand it, this is what the Board wanted anyway.
