Subject: CBC tapes/Mary Ferrell/ HSCA
Phil recently gave me an outside contact report from the HSCA concerning Mary Ferrell's conversation with a committee staffer about the 25 interview tapes the Canadian Broadcasting Corporation had sent to Ferrell from its (then)recent JFK program. I don't know if the HSCA ever received copies of the tapes from Ferrell or the CBC. Do any of you know if the Collection has these tapes? If not, should be try to obtain them?David & Tom - we still haven't reached a protocol on investigative type contacts with media organizations and reporters but is this something you'd prefer to handle, Tom, or shall I?Jeremy - is this a research task for Joe to handle (I'm thinking of our conversation early this morning about HSCA research tasks for Joe.)I have the contact report if any of you want to see it.
