**Subject:** Visit to Secret Service

**Body:** I called Mike Sampson on May 24 to set up an appointment to talk with him on June 1 at 2 PM. He said he would call me back to confirm the appointment , and the time seemed fine with him. I asked Eric if he would like to come, and he said he would. I was not expecting to see any classified material, but if John Machado is concerned about who has clearance and who does not, should I revise my plan to have Eric with me?
